K-1 Men

#1 Don Brewer	1:29:50
---------------	---------

K-1 Women

#1 Susan Bailey	1:42:37
-----------------	---------

NOTES/COMMENTS:

*Race Course was a little longer this year with the start being moved from the Bridge back to the Waterfront for the spectators to get a better view.

“Beautiful sunny day and a fast start with the wind and current assisting, however midway through the windy Marsh River, the paddlers had to face the wind and this made the route much more challenging for some”, Scott Shea Race Director.

18th Year the Race has been run in Wiscasset, sponsored by Seaspray Kayaking.

This race is part of the Maine Canoe and Kayak Racing Organization's (MACKRO'S) Flat Water Series.

“We enjoy seeing the mixture of youth and veteran paddlers coming together in Wiscasset to enjoy a great paddling course and thank the local businesses- Ames Supply, Big Al's and Seaspray Kayaking who continue to support this annual July 4th Event. ” Race Director Scott Shea.
